# DIFFERENT TYPES OF TOURS

*Organized Travelling Made Easy with " VC Holiday Trips "*

## RELIGIOUS TOUR

*Religion points to that area of human experience where in one way or another man comes upon mystery as a summons to pilgrimage.*

## HOLIDAY TOUR

*It's very hard to respect people on holiday - everybody looks so silly at the beach, it makes you hate humanity - but when you see people at their work they elicit respect, whether it's a mechanic, a stonemason or an accountant.*

## HONEYMOON TOUR

*That honeymoon phase is so much fun in real life, when you meet and discover somebody new and fall in love and chase them. The pursuit. And that climactic final moment of ultimate togetherness.*

## ADVENTURE TOUR

*We live in a wonderful world that is full of beauty, charm and adventure. There is no end to the adventures that we can have if only we seek them with our eyes open.*

## JUNGLE TOUR

*I think one of the coolest things you can do is disappear for a while, because it gives you the chance to re-emerge. To sort of pounce out of the jungle.*

## INDUSTRIAL TOUR

*One of the reasons I'm on tour is to meet people. I consider it a reconnaissance. You know, I consider myself like in a military operation. I don't feel like a citizen.*
